The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.cbabluevt.com</u> or call 1-888-222-9206. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$3,500 individual / \$7,000 family for In-Network providers and \$7,000 individual / \$14,000 family for Out-of-Network providers. Doesn't apply to prescription drug copayments, pre-certification penalties, In-Network adult preventive care, In-Network routine mammogram, In-Network routine well child care, In-Network primary care visit, In-Network specialist office visit, In-Network allergy testing, In-Network chiropractic care, emergency room, In-Network outpatient physical, speech and occupational therapy, routine vision exams, In-Network outpatient cardiac rehabilitation, In-Network outpatient infertility services, In-Network outpatient mental health/substance abuse services.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care and primary care services are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductible for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$5,500 individual / \$11,000 family for In- Network providers and \$8,250 individual / \$16,500 family for Out-of-Network providers.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, precertification penalties and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket</u> <u>limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.cbabluevt.com or call 1-888-222-9206 for a list of network providers.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
