

Care From Anywhere—24/7

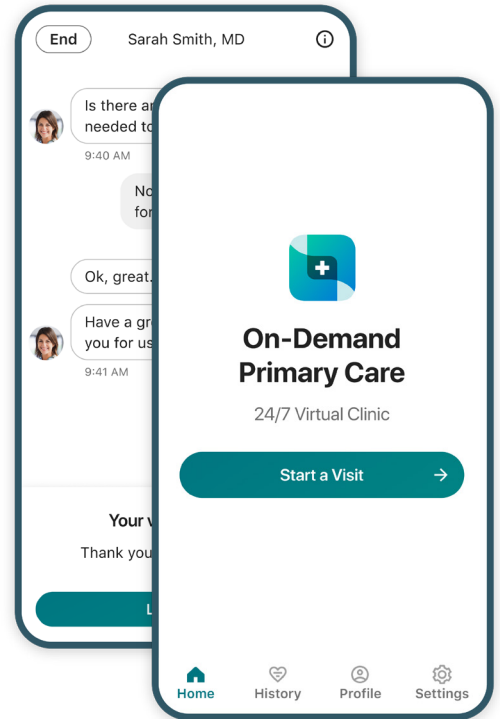

98point6[®] is now available.

98point6 is on-demand, text-based care from the convenience of an app. Our board-certified physicians cover the full spectrum of primary care—from medical questions, to diagnosis and treatment, to prescriptions and labs.

Whether you have a health question while cooking dinner or your child is spiking a fever at 2 am, we're here for you. With no appointments, no travel and no waiting rooms, 98point6 can address a wide variety of conditions including:

- ✓ Itchy or sore throat
- ✓ Rashes
- ✓ Seasonal allergies
- ✓ Muscle sprains and strains
- ✓ Stomach flu/gastroenteritis
- ✓ Urinary Tract Infections (UTIs)

...and more

98point6 is available to you and your family ages 1+.
